### **Your Beachwood Experience 2020**

Beachwood is open and we are excited to meet you. Fall is here, the trees are beautiful and the air is crisp. It is a lovely time of year here at the lake.

As the safety of you, our guests, and our staff, is of the utmost importance, we have implemented appropriate measures around the resort with guidance from our many resources and the public health unit.

We continue to work hard on our plan to deliver the best experience possible while maintaining the physical distance and sanitization requirements in place..

#### **Check In and Check Out**

- Depending on date and time of arrival we will welcome you:
  - in the lobby of the main lodge. Please send one person to check in and respect physical distancing
  - or remote check in - that is discussed prior to arrival
- We appreciate you adhering to our check in 3:00 pm - and check out 11:00 am times – we need the extra time to spend cleaning and sanitizing the resort.

#### **What you will find in your rental unit:**

- Increased disinfecting of frequently touched areas in guest rooms: doorknobs, light switches, toilet handles, faucets, taps, coffee machines, safe deposit pin pads, thermostats, telephones, remote controls, desk and counter surfaces, shampoo and conditioner dispensers, dresser drawer knobs and patio door handles
- No stay over housekeeping service (i.e. no daily towel in room refresh, bed making, tidying)

**Please bring with you:**

- Personal supply of hand sanitizer and wipes
- Personal bath towels for cottage/condo accommodations unless you have added a towel plan to your rental.
- Board games, as we are not able to lend ours, we do have games in our gift shop
- Tennis rackets, balls, basket balls, etc, if you have them
- Hiking boots/shoes as the trails are waiting to be explored

### **What you will find during your stay:**

- Guests and hosts will be required to follow social distancing and hygiene practices as well as staying home and seeking medical attention if feeling unwell
  - Frequent disinfecting of all high touch areas
  - Hand sanitizing stations at key traffic areas and entrances
  - Remote check in and check out depending on date and time of arrival
  - Frederick's, our lakeside restaurant, is open Friday and Saturday for dinner, indoor dining and take out until October 31. Breakfast is offered Saturday and Sunday. As business levels are low please reserve 24 hours in advance. [See our dinner menu here.](https://www.beachwoodresort.com/fredericks/)
  - November 1 – December 12 – Frederick's is open for groups of 12 or more.
  - Starting November 20 – December 12 we will be offering our Christmas menu – soon to come. After this date give us a call or send an email if you are interested.
  - Accommodations are available throughout the fall and winter. You may book on line, inquire by email or call.
