Your Beachwood Experience 2021

Beachwood is open and we are excited to meet you. A new season is just around the corner. The snow and ice is gone and we are getting ready for a beautiful spring and summer at the lake.

As the safety of you, our guests, and our staff, is of the utmost importance, we have implemented appropriate measures around the resort with guidance from our many resources and the public health unit.

We continue to work hard on our plan to deliver the best experience possible while maintaining the physical distance and sanitization requirements in place. This plan changes almost daily so keep in touch for updates.

As of today April 15, 2021

Check In and Check Out

- We will welcome you in the lobby of the main lodge. Please send one person to check in and respect physical distancing.
- We appreciate you adhering to our check in 4:00 pm - and check out 10:00 am times – we need the extra time to spend cleaning and sanitizing the resort.
- We do have a remote check in option available. Give us a call or send an email if you would like to take advantage of this option.

What you will find in your rental unit:

- Increased disinfecting of frequently touched areas in guest rooms: doorknobs, light switches, toilet handles, faucets, taps, coffee machines, safe deposit pin pads, thermostats, telephones, remote controls, desk and counter surfaces, shampoo and conditioner dispensers, dresser drawer knobs and patio door handles
- No stay over housekeeping service (i.e. no daily towel refresh, bed making, tidying)

Please bring with you:

- Personal supply of hand sanitizer and wipes ☒ Beach towels
- Personal bath towels for cottage/condo accommodations unless you have added a towel plan to your rental. Main lodge rooms include towels.
- Lifejackets, if you have them – maybe this is the year you buy some 😊
- Water shoes for swimming off docks
- Board games, as we are not able to lend ours, we do have games in our gift shop
- Tennis rackets, balls, basket balls, etc, if you have them.

What you will find during your stay:

- Guests and hosts will be required to follow social distancing and hygiene practices as well as staying home and seeking medical attention if feeling unwell
- Frequent disinfecting of all high touch areas
- Hand sanitizing stations at key traffic areas and entrances
- Frederick's will be open for take out – start date to be determined. Our new patio tables and chairs have just arrived. We are excited about enhancing our outdoor patio space and serving inside and out when we are allowed. We are working on a QR code for our menu to eliminate the paper copies.
- Summer at Frederick's looks similar to last year - Mondays will be our fish fry on the lawn. Tuesdays a steak, chicken and fish buffet served family style. Wed –Sunday Chef Mike is offering our a la carte menu - updated menu for 2021 coming soon.
- Ice cream counter is now located outside at the patio. Gift shop in the main lodge remains open. Enter through the front entrance of the main lodge, follow social distancing rules and adhere to lines on the floor, exit through the back entrance.
- Ladders at the cottage docks, and one in front of the condo building, have been replaced with R.J. Machine ladders. Our home built ones did not seem to be safe enough last year so we purchased proper dock ladders. We tried 😊. The ladders have been installed for your easy swimming access at your unit to encourage hanging out at your dock . We are building a swimming raft for in front of the evergreen condo building.
- Kayaks, canoes, paddle boards are available, there is a sanitization station close to these boats, please sanitize before and after use. Our staff will also be sanitizing during the day. Sanitized life jackets will be available, however, if you have your own bring them with you.

- We now have 2 pontoon boats for rent. These are available daily and weekly. These boats were very popular last year so early booking is encouraged.
- We have 4 rental kayaks available. These are in addition to our complimentary boats. These are 13' Pulaski Spirit kayaks, available for daily rental at \$45/day.
- The pool will be open mid May with physical distancing measures.
- Wildlife show – Speaking of Wildlife – will be Tuesdays at 3:00 pm
- Walking trails, tennis court, volleyball net, are all open
- Water playground will be installed around mid June.
- Yoga will continue 3 x per week starting the first week of July, bring your own mat.

Activities we are not sure about as of today:

- children's program
- all indoor recreational facilities – lower level of main lodge
- massage
- waterski/tubing program – waiting for guidance from our public health unit
