Your Beachwood Experience 2021

Beachwood is open and we are excited to meet you.

As the safety of you, our guests, and our staff, is of the utmost importance, we have implemented appropriate measures around the resort with guidance from our many resources and the public health unit.

We continue to work hard on our plan to deliver the best experience possible while maintaining the physical distance and sanitization requirements in place. This plan changes almost daily so keep in touch for updates.

Please remember that we are under restrictions as mandated by the Ontario government.
